

PUBLIC NOTICE

The Town Council of the Town of Alpine is seeking public input and public comments on a Housing (Facilities or Infrastructure) Community Development Block Grant (CDBG) application.

The Town is interested in obtaining funding for infrastructure improvements and/or site acquisition funds for a 24-unit affordable housing development located northeast of the intersection of US Highways 289 and 26, commonly referred to as Alpine Junction. The grant request contemplated will not exceed \$500,000. A private match of up to \$407,783 has been committed to this project.

CDBG applications may be considered provided they support at least one of three National Objectives:

1. Benefit to low- and moderate-income families.
2. Elimination of slums or blight
3. Projects which meet an urgent community development need that pose a serious and immediate threat to the health or welfare of the community.

The Wyoming Business Council administers the CDBG Program and lists the available funding on their website at <http://www.wyomingbusiness.org/community/cdbg.aspx>.

A Public Hearing to take public testimony and solicit public opinion on this matter will be held on Thursday, May 25th at 5 pm at Alpine Town Hall, 250 River Circle, Alpine, Wyoming. Accommodations will be made for handicapped and non-English speaking minority individuals who wish to attend the Public Hearing.

For additional information, please contact Mayor Kennis Lutz, Town of Alpine, at (307) 654-7757. Program rules are available at the Wyoming Business Council web site at www.wyomingbusiness.org.
